Very limited annual production, only 1800 bottles and 250 magnums per year

Syrah- 15 % vol. alcohol

WINE CRITICS :

94-96 Pts. "This is a huge, rich, unctuous beauty that lovers of Syrah should not miss!"

Wine Advocate

2015 Dynamic Gold Medal Challenge Millésime Bio Competition

NOSE :

Dynamic offers up an impressive nose of smoked black fruits, melted licorice, black currants and aged beef.

TASTING NOTES :

Its inky purple color is followed by a rich, unctuous, massively rich style on the palate. Despite the richness level here, it never comes across as heavy and stays lively and fresh.

WINEMAKING :

The grapes are fermented at 25C and maceration post at 28C, in wooden tanks. Extraction from punching of the cap and light pumping over during a 5 week maceration period.

Ageing : 16 months in 100% new 600L oak barrels.

Food Paring: All dishes made with red meats (duck, beef)

Serving temperature : 16° - 18°C

Ageing potential : 7 – 10 years
